

Bonspiel Report

2020 - 2021

WLCC was able to host one bonspiel before we were required to cease curling due to Covid 19 restrictions.

On November 14th, 2020 we hosted a Club Doubles Bonspiel. We had a full draw of 12 mixed teams.

Because we were once again adopting a “fun” theme, there were no prizes awarded. Participants paid \$30 each and enjoyed 3 games of curling, a free drink ticket to be used in the bar, dinner, and appetizers. The bonspiel committee prepared all the food which saved considerable expense. We also had a 50/50 draw.

This event was well received, and the committee felt that it was a good way for club members to meet curlers from other leagues.

We utilized the Curling I/O Registration site for curlers to pay their fees. This provided a trial for further bonspiels.

This event raised \$585 for the club as well bar income.
